Selectmen's Meeting

NEW POLICE OFFICERS NAMED

Lt. JAMES MORAN RECEIVES A CONGRATULATORY HAND-SHAKE FROM CHAIRMAN WILLIAM HUBBARD UPON HIS SELECTION AS CHIEF OF POLICE TO SUCCEED DUANE TUTTLE WHO WILL RETIRE JUNE 1st. SELECTMAN JOHN DECOSTA AND NEWLY ELECTED SELECTMAN JAMES HUNTOON ADDED THEIR CONGRATULATIONS TO THE NEWLY NAMED CHIEF.

LT. TO POLICE DEPARTMENT NAMED

James Santos was named as Lieutenant of the Mattapoisett Police Department to move into the vacancy on June 1 when Lt. James Moran takes over as Chief of the Department. Officer Edwin Pina was named Sergeant.

In the discussion preceding the vote, Selectman James Huntoon noted that many surrounding area towns operate without a lieutenant and proposed that the Board wait until after the Town Meeting is re-convened to determine the budget position. He suggested that a Sergeant be appointed pending the impact of Proposition 2 1/2. His proposal was opposed by Selectman John DeCosta who stated that it is important to have a back-up to the Chief. He said the budget already provides for a Lieutenant. DeCosta's position was supported by Chairman William Hubbard.

Selectman Huntoon then moved that Sgt. Robert Moore be named lieutenant and said that he had spent most of the day reviewing the personnel files and found Moore to be outstandingly qualified by law education, criminology training and seniority.

Selectman DeCosta moved that James Santos be named lieutenant naming Santos' qualifications and good relationship with the men of the department and leadership in various police activities.

Huntoon proposed that the Selectmen defer to the new Chief and let the decision be his. Chairman Hubbard differed. He stated that the Selectmen are charged with that responsibility. He said that the decision was the Selectmen's prerogative and he did not want to see it postponed.

James Santos was voted lieutenant by a majority vote. Pina was unanimously named sergeant.

POLICE BROTHERHOOD VOTE

Selectmen approved a Police Brotherhood vote in favor of summer uniforms in two tone tan with short sleeves.

Open Letter

To the Residents of Mattapoisett:

On Thursday, May 14, at the meeting of the Board of Selectmen, two promotions necessitated by the retirement of Chief Tuttle were made within the Police Department.

Despite my seniority, experience, education and community service, the position of lieutenant was given to another officer by Selectmen Hubbard and DeCosta.

customarily been based on seniority and/or qualifications, I am dismayed at what could cause such an important position to be awarded at such a brief meeting without a thorough discussion of the merits of each candidate.

I am proud of my fourteen year record on the Mattapoisett Police Department and had expected to be given the opportunity to advance to the rank of lieutenant, so I could be of even greater service to the community.

The realization that such a deviation from past procedure has occurred in our town leaves me wondering the reasons why.

As a result of the decision of the Selectmen I have had to adjust my career objectives. I have requested that the Board of Selectmen accept my resignation from the rank of Sergeant and allow me to resume the rank of patrolman.

Public Forum Rules

Winfield Jenney of Church Street, Mattapoisett, has furnished the following statement concerning Public Forum rules of order. Mr. Jenney is of the opinion that a violation of this rule occurred at the Mattapoisett Town Meeting and so stated before he left that meeting.

In 1789, the House of Representatives in Washington adopted a rule (Rule XVI, c14) which, through imitation has had influence far beyond the nation's Capitol, "When a question is under debate, no motion shall be received but to adjourn, to lay on the table, for the previous question (which motions shall be decided without debate) to postpone indefinitely.

GROWING BEAUTY IN MARION

Some very energetic planting and masonry observed underway last week in Marion center is turning the entrance to the parking lot into a very attractive garden spot. The members of the Marion Garden Discussion Group have shown an impressive array of talent as well as an active interest in beauty as they transform this corner. For the past few years this group has added color to Marion by their window box plantings in the center, parking lot garden, and gardening at the Housing for the Elderly. A concrete park bench is an added attraction this year at the parking lot beside

will perform two larger works. Folk Song Suite by Ralph Vaughn-Williams is a fine example of the British wind ensemble tradition, consisting of beautiful arrangements of several British folk melodies for the large ensemble. The final work is an arrangement of four well-known melodies from Carmen by Bizet. The arrangement was created especially for the Symphonic Band by Tabor Academy's Director of Music, Mr. Jack Clay, who will also lead the group in the performance.

The second part of the program will be presented by the Jazz Ensemble. Two ambitious pieces by Don Ellis will be the core of the Jazz Ensemble's contribution. Also included will be selections from a broad spectrum of styles of music written for this size group.

The concert will be in the Wickenden Chapel on the campus of Tabor Academy and will begin at 7:30 p.m. There will be no admission charge and the public is cordially invited to attend. A short reception will follow the concert.

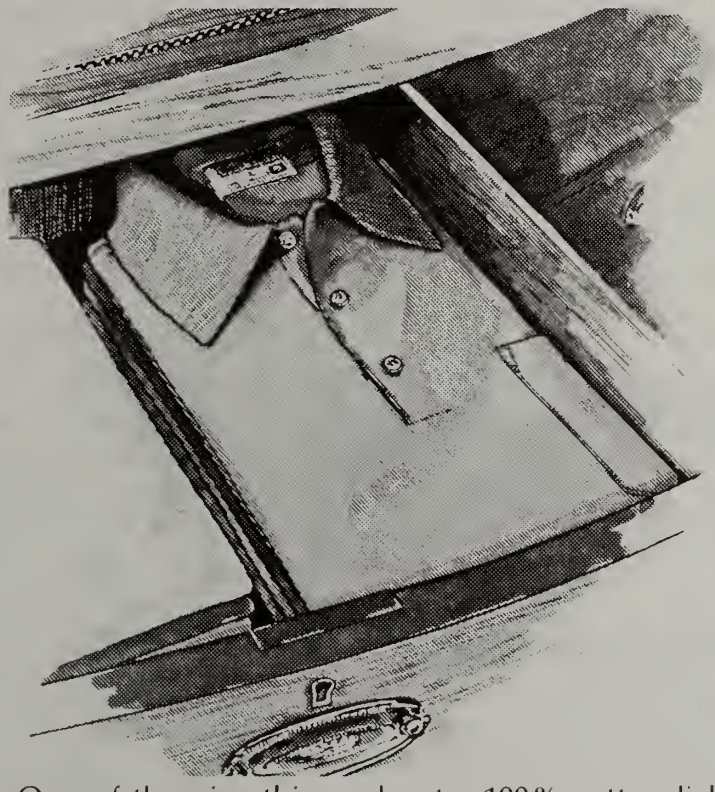
Cross Creek brings you the first easy care cotton knits.



One of the nice things about a 100% cotton lisle sport shirt is that the more it's washed the softer it gets. One of the unfortunate things is that some cotton shirts get smaller.

Cross Creek has solved that problem.

All of their 100% cotton lisle knit shirts are Qualitized®. That's a patented process that assures you that Cross Creek shirts will not shrink out of size. So every time you wash one, it gets softer, not smaller.

Come see our selection of styles and colors and discover why so many people have come to refer to Cross Creek as "The Exceptional Shirt."

Sheds Available

An outgrowth of the Regional Junior High School Industrial Arts program is the yearly construction of six beautiful wooden sheds. The gambrel-shaped sheds are 6' wide x 8' long x 8' tall. They feature asphalt shingled roof and cedar shingled sides, as well as a large rear window and entrance door.

The sheds are manufactured under the watchful eye of the shop instructor, Mr. Louis Corey, and are made available to inhabitants of the three contributing communities at the actual cost of construction.

Interested regional residents should address a letter of request to the Principal, Mr. Robert C. Gardner. 133 Marion Road, Mattapoisett. Requests may also be made by calling the school at 758-4928.

It is possible to examine the sheds during the course of construction or to examine completed sheds throughout the community at locations which can be made known to you by Mr. Corey at the junior high school.

FIELD WALK - POND LIFE - MAY 23rd

Fresh Water Ponds that have remained a passive part of the Winter landscape become centers of activity each Spring. Their annual function during this season of the year is that of "nursery". Frogs, toads, turtles and salamanders lay their eggs in or near the pond, and in May new life is beginning to hatch. Certain insects spend a stage of their life cycle in fresh water and along with new plant life provide food for other inhabitants of the Pond. Please join us for our Saturday morning visit to the pond. Free, open to all ages, the field walk starts at 10:00 a.m.

TO THE EDITOR

During National Hospital Week May 10-16 there were many events that took place at Tobey Hospital such as a poster contest for students in grades one through six in the surrounding schools and career day for sophomores and juniors of the high schools, and visitation of children from Sippican School, and the final judging of the winner and runner-up in the poster contest.

These events were capped by the delivery on Tuesday of thirty-one artistic letters from the first grade students at East Wareham School to the patients at Tobey Hospital. Each one had a drawing of a hospital scene and a message of hope and support from the student.

It was extremely gratifying to witness such a display of kindness and consideration by children such as these. For this we are most grateful.

To the children and Mrs. Mary M. Anderson our thanks for a lesson of compassion so ably displayed by our youngsters.

"Union Hospital is committed to providing the Greater New Bedford community it serves with the highest quality of care available today," said Executive Director Robert F. Davis. "At the same time we are very much looking ahead to the health care needs of tomorrow, which made this year's National Hospital Week theme especially fitting for us."

One way Union Hospital is caring for the community's future is with the recent installation of an all-new x-ray system, whose primary benefit to the patient is a dramatic cut in the average dose of x-ray radiation. The hospital's new rare earth x-ray system cuts this dosage in half, and often up to 75 percent. Another advantage to this system includes longer-lasting equipment because of the reduced amount of radiation, which represents major savings to the hospital and ultimately to the patients.

Union Hospital's activities for National Hospital Week included a film, and complimentary cafeteria specials--from fresh fruit cup to make-your-own salad--to illustrate that "Looking Well Means Eating Well".

Tying in National High Blood Pressure Month (May), employees and visitors were encouraged to take advantage of free blood pressure tests throughout the week.

National Laboratory Week was also celebrated in conjunction with National Hospital Week. Personnel and visitors were invited on scheduled tours of all of Union's lab departments for a general overview of the vital role the laboratory plays in the hospital.

National Hospital Week is sponsored each year by the American Hospital Association and its member hospitals to foster better communication and understanding between hospitals and their patients, their employees, and the communities they serve. Union Hos-

Posters can depict any aspect of the cranberry industry. Complete contest rules have been mailed to 400 public and private elementary schools in southeastern Massachusetts. The Soho Weekly News chose Railroad Bill as its Theater Pick of the Week during its New York premiere and said: "The Labor Theater's production of Railroad Bill is a joyously slapdash, made-for-trouping vaudeville built around the life of one Morris Slater, a Black Alabaman whose metamorphosis from bentbacked turpentine worker into erstwhile train robber provided the stuff of the early blues song that gives the venture its title."

land to the banks and railroads and becomes partners with an ex-Pinkerton man who is sent by the L & N Railroad to track him down.

Billboard-size photos projected on a mesh screen evoke the images of the time -- sharecroppers, turpentine camps, Mississippi River steamboats. These images are defined and amplified by the cast's performance of traditional blues, rags and work songs.

The Labor Theater, a professional Equity company based in New York City, has been touring since 1975, playing mostly for union and community groups who don't ordinarily see live theater. This tour is being supported by grants from the National Endowment for the Arts to the International Union of Automobile, Aerospace and Agricultural Implement Workers, and the Amalgamated Clothing and Textile Workers Union.
